

## REPORT OF THE GLIU INCEPTION INAUGURAL SESSION, GREEN-AG, MIZORAM

**31<sup>st</sup> July, 2020, Lunglei:** After the State Inception Workshop which was conducted on 28<sup>th</sup> July 2020 at Aizawl, Green Landscape Implementation Unit (GLIU) inception and inauguration of the GLIU office was organized at Agriculture Conference Hall, Chanmari, Lunglei, Mizoram by Hon'ble Minister, Agriculture Department, Govt. of Mizoram.

The participants who attended the session at the venue were State Government Officials, MLA's, NGO's representative, Project Staff and Allied Departments of the Agriculture Department who are stakeholders in the projects.

The Inception inaugural programme was chaired by **Pu. Lalhmingthanga, IAS**, Commissioner and Secretary, Agriculture Department. He had given a warm welcome speech to the guest and brief about the Green-Ag project from the time of its project formulation. Where the projective activities will be implemented. He had stressed the importance of coordination between different department so as to have a success from this project and be benefitable for the Indigenous people. He also mentioned the aims and objectives of the project. Devotion was conducted by Rev. R. Zohmingliana.

Special address was given by **Mr. Rohmingthanga Colney**, State project Director Green Ag Project and Director, Agriculture Department (CH). He had highlighted the executing agency and the Implementing agency and also how the project will work and function. Introduction of the GLIU Staff to the invitees was also being done.

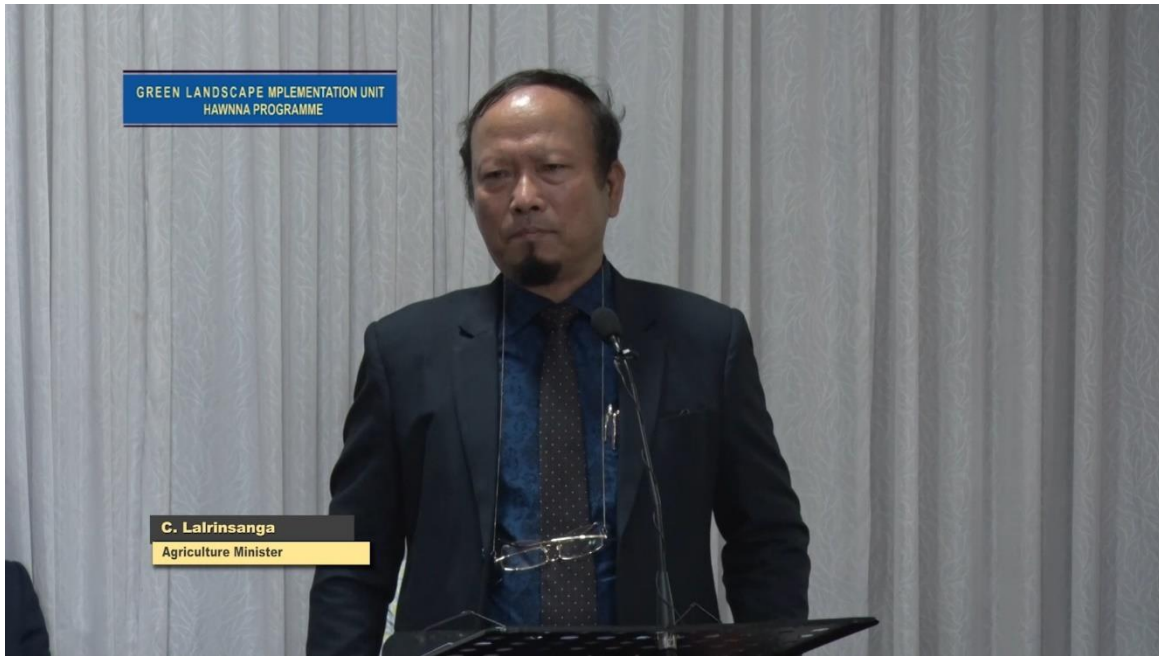

The **Additional Deputy Commissioner of Lunglei**, stated that the office of the Deputy Commissioner Lunglei was grateful for including Lunglei as part of the project area and will be supportive for the success of this project. In addition, all the stakeholders of Lunglei district shall provide

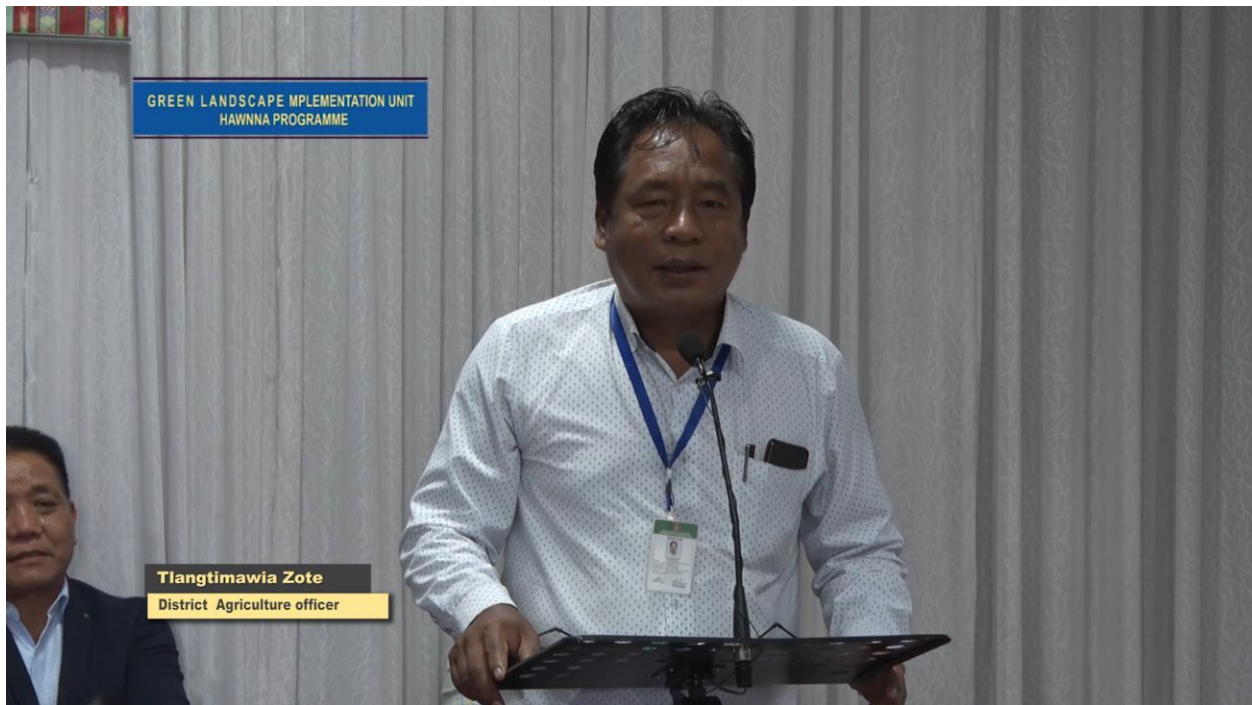

support, cooperation and coordination for the achievement of the aims and objectives of the project.

**Shri. C. Lalrinsanga, Hon'ble Minister, Agriculture, Irrigation & Water Resources and Cooperation Department, Govt. of Mizoram**, was the Chief Guest of this event. He laid stress on the balance between natural resource conservation and the fulfillment of economic needs. Due to the environment, climate change and ecological unbalance it also have an impact on farmer. Thus, this project will be an important project to help the famers for their suitability while controlling and maintain the ecological balance. He

also said that his ministry would support Green-Ag project as this will help in economic upliftment to the people of 35 villages of this area.

The session concluded with a vote of thanks by Pu Tlangtimawia Zote, District Nodal Officer, Green-Ag, Mizoram and District Agricultural Officer Government of Mizoram. He expressed his sincere gratitude to all members who have attend the GLIU Inception Program for their valuable time and presence to the session.
